

2022 Paint to Music

Dear Parent/Guardian,

The Wichita Falls Symphony Orchestra (WFSO) would like to invite your 5th grade child to participate in the 1st Annual 2022 Paint to Music Contest. This is an exciting opportunity that has never been done before at the WFSO! During the month of January, your music or classroom teachers will be going through curriculum that corresponded with the WFSO Young People's Concert. Unfortunately this year due to COVID precautions, we were unable to host this event in-person, but your school has chosen to continue with the curriculum in class. This art contest is meant to be a wrap-up lesson/activity after the students have heard the music in class. Your child will have a chance during their music class to listen to the three music selections again, choose 1 to use as their inspiration, and create a piece of artwork based on the music. If chosen as a winner, the digitized image of your child's artwork may be projected along with their name onto a screen above the WFSO at the *Music in Pictures* concert on **February 26, 2022**.

Please note that the WFSO may save or create digital reproductions (i.e. photographs, scans, etc.) of your child's artwork upon submission to the concert. Such digital images will be the sole property of the WFSO and may be used by the Symphony with appropriate attribution (i.e., along with your child's name) in promotional materials, brochures, publications, organizational websites, media and social media, for the purposes of fund-raising activities and in order to enhance the profile of the WFSO.

In order for your child's artwork to be considered for the Contest, **please kindly complete the bottom portion of this permission slip and return it to school as soon as possible. Return no later than _____.**

Please check with your school if you have any questions about this event. Many thanks, and best of luck!

Amy Robinson, Operations Manager | Wichita Falls Symphony Orchestra
